EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Marina T. Larson on 5-12-05.

The application has been amended as follows:

Claim 38: ', said' on line 2 (second said) has been deleted and 'of claim 13.' has been added. Lines 3-5 and the formula following these lines have been deleted.

Claim 38 would now read as, " A method for delivering a therapeutic compound to a target cell comprising administering to a host containing said target cell a pH-sensitive liposome of claim 13.

Note: This second examiner amendment is done since the change of claim 38 dependency to 13 as agreed during the interview on 5-12-05 was inadvertently omitted in the prior examiner's amendment.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gollamudi S. Kishore, Ph.D whose telephone number is (571) 272-0598. The examiner can normally be reached on 6:30 AM- 4 PM, alternate Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thurman K. Page can be reached on (571) 272-0602. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
